

About Our Program

Tennis For Fun, a free tennis clinic for athletes with special needs, is a volunteer organization that provides athletes with an opportunity to have fun playing tennis, to learn basic skills and to socialize with each other.

Our program specializes with athletes of all ages that are intellectually handicapped, especially those with Down Syndrome, but other special needs athletes are also welcome to join the program. Tennis For Fun is entirely a volunteer organization. Athletes do not need any equipment or previous experience, just the desire to have fun!
